PRESS RELEASE

May 28, 2021

FOR IMMEDIATE RELEASE

Introducing Floor Care Safety for Calgary, AB...

The Safe Solution® Anti-Slip Treatment System and Clean Step™ Multipurpose Cleaner, a proven way for business owners to minimize their exposure to slip and fall accidents, injuries, and lawsuits!

CALGARY, ALBERTA, CANADA (May 28, 2021) - We are proud to announce the official launch of Calgary Floor Safety for the City of Calgary, AB. Calgary Floor Safety is the newest Floor Care Safety business of the Global Floor Safety Network, representing the GFSN in Calgary, Alberta.

The Global Floor Safety Network and its independent business members are considered to be the world's foremost leaders in advanced anti-slip traction enhancing and floor cleaning technology.

ABOUT CALGARY FLOOR SAFETY:

Calgary Floor Safety is duly authorized by Global Safe Technologies Inc., and is the exclusive GFSN Master Distributor for the City of Calgary, Alberta, Canada, providing the Safe Solution Anti-Slip Treatment System and our Floor Care Safety product line, including our Clean Step Multipurpose Cleaner & Degreaser, owned by Global Safe Technologies Inc., and manufactured in cooperation with our special business partner, BBSpro Services Inc.

Calgary Floor Safety is owned and operated by **Mr. Servando Nava**.
