Newest member of the Global Floor Safety Network “GFSN”,  
A Global Safe Technologies Inc. Association

### PRESS RELEASE

Monday, January 23, 2023

#### FOR IMMEDIATE RELEASE

Introducing Floor Care Safety for Kamloops, British Columbia...

The Safe Solution® Anti-Slip Treatment System and Clean Step™ Multipurpose Cleaner is a proven way for business owners to minimize their exposure to slip and fall accidents, injuries, and lawsuits! The Global Floor Safety Network and its independent business associates are considered to be the world’s foremost leaders in advanced deep cleaning anti-slip traction enhancing technology and floor care safety.

**KAMLOOPS, BRITISH COLUMBIA, CANADA** – We are very proud to introduce **Mr. Mario Nunez** and announce the official launch of **Kamloops Floor Safety**. Kamloops Floor Safety is the exclusive GFSN Business for Kamloops, BC, representing the Global Floor Safety Network for the city of Kamloops, centrally located in the Thompson-Nicola Region of BC, which is located in the southern half of BC, and will include other cities and townships in that region.

Welcome to the GFSN team Mario!

#### THE GFSN PRODUCT LINE IN KAMLOOPS, BC:

Kamloops Floor Safety is duly authorized by Global Safe Technologies Inc., to provide our proven GFSN product line in Kamloops and the surrounding Thompson-Nicola Region, including the Safe Solution® Anti-Slip Floor Care Safety Treatment System and our government approved Clean Step™ Multipurpose Cleaner & Degreaser. All GFSN products are manufactured in Coquitlam, BC, Canada, in cooperation with, and by our special business partner, BBSpro Services Inc.
